ATA rules govern the tournament. By entering the grounds you agree to abide by the ATA rules and be a **current member of the ATA.**

All Collegiate contestants who are Iowa residents must be **current members of the Iowa State Trapshooting Association (ISTA).**

Event is open to all Collegiate Contestants.

However, upon entry, contestants must choose between shooting the event for score or having their scores recorded by the ATA and/or the SCTP, by declaring.

Joining and renewals to the ATA and ISTA are available.

All declarations/registrations must be made prior to shooting.

All appropriate ATA, ISTA, and SCTP fees are subject to Iowa State Sales Tax.

The club house kitchen will be open.

Some assortment of 12 gauge shells will be available at the club.

Event will be held rain or shine, so bring appropriate clothing.

The event will be held over 16 program traps using the bank system. Contestants will shoot 2 sub-events of 25 targets before moving to their second trap range for their final two sub-events.

Event will be held as two 100 target events but scored and awarded as a 200 target invitational event.
